St Marys Rugby League Club Life Celebrations...

Arranging a farewell for a loved one is a difficult and emotional task, we offer peace of mind with our warm, friendly and professional approach.

St Marys Rugby League Club can offer our Ironbark Terrace Deck, or our elegant Boronia Showroom, allowing us to cater for intimate groups of 20 to larger groups of 150 people or more, pending availability and capacity.

We provide quality finger food, beverages and gracious service at a convenient location and affordable price.

We can also provide flowers, themes and audio/visual equipment for photo montages or music compilations. We will endeavour to meet any other personalised requests. Other options are available.

For assistance please call Jennifer Najdek on 9677 7703.
